## REPORTS OF BOARDS AND COMMITTEES.

### BOARD OF EDUCATION.

We, your Board of Education, beg leave to state that we have carefully considered the subjects which were re-committed to us on yesterday, and other matters, and we offer the following amended report.

We recommend:

1. That the Conference concur with the St. Louis Conference in electing four additional members of the Board of Curators of Central College; and that the following brethren be elected from this Conference, viz.: Rev. W. B. Palmore, D. D., Percy Houston, L. R. Moore and James A. Marshall. And we join the St. Louis Conference in requesting the existing Board of Curators of Central College to take the legal steps necessary to have the charter of the college so changed as to permit a large Board of Curators, composed of equal representation from the three Conferences.

2. That our pastors press the Twentieth Century Collection between now and January 1st, 1901, in order to secure at least the minimum amount called for, viz., \$1,500,000.00.

3. That we set apart 10% of all undirected gifts to the Twentieth Century Thank Offering for the aid of our schools in mission fields, and direct the treasurer of the Conference Board to forward the same to our missionary secretaries.

And that we also request our pastors to urge our people to endow scholarships and professorships in these mission schools.

4. That we heartily join the other Conferences in Missouri in the campaign in behalf of an endowment of \$500,000 for Central College and \$25,000 for each of our secondary schools; and that we do all in our power to assist these schools in lifting any financial burdens that may be upon them.

5. That inasmuch as the General Board of Education have adopted the following resolution, viz.: "That we request the Conferences having the control of schools which grant the ordinary honorary and undergraduate degrees, but which fall below the rank of a college in the classification of the General Board of Education, to direct such schools to cease giving such degrees until they advance

their work to the minimum requirements of all colleges;" we therefore recommend that our educational institutions conform to the foregoing action of the General Board of Education of our Church, as soon as practicable.

6. That we impose an educational assessment of \$3,000 upon the Conference, to be distributed as follows: \$1,000 to Central College, \$600 to Paine and Lane Institutes, \$228 to the General Board, \$172 to the Conference Board, and \$1,000 to be equally divided between Central Female College, Scarritt Collegiate Institute and Morrisville College, the amount going to Morrisville College to be applied to the building fund; and the amounts going to Central Female College and Scarritt Collegiate Institute to be added to the permanent endowment funds.

C. M. BISHOP,  
*Chairman.*

#### CENTRAL COLLEGE.

We rejoice to note in the report of Central College an increased attendance during last year, that the young women are availing themselves of the privileges there offered and that the roll of graduates last year is larger than previously. Also that Cupples' Hall is completed and ready for students. Our chief institution acts wisely in offering easy club rates for our young men and women.

We regret that the increase of the college is yet insufficient and sincerely trust that her friends will rally to her with an endowment sufficient to meet all her needs. We thankfully recognize the continued munificence of Bros. Cupples and Stone; also the provisions for her made in the wills of other friends. Until we have a larger productive endowment this conference should assist in meeting the immediate necessities of the college by an assessment for that purpose.

We commend Dr. E. B. Craighead, the president, as a wise educator and excellent organizer and congratulate the college system on the acquisition and success of the academies connected therewith. We believe we have ground for hope that this institution can speedily be made a worthy twentieth century college, and trust that its claims will continually be laid upon the hearts and consciences of our people.

JNO. S. JENKINS,  
*For Board.*

## VANDERBILT UNIVERSITY.

We note with pleasure the report from Vanderbilt University. There were 771 students enrolled in the University last year, of whom 81 were young ministers. About 450 of the 5,000 active members of our itinerant ministry have had the advantage of training in the University, and a large proportion of our foreign missionaries are former students.

We call special attention to the fact that Mr. Samuel Cupples, of St. Louis, has donated \$50,000 to the endowment fund of the Biblical Department, on condition that the church at large shall raise an additional sum of \$100,000 for the same purpose between now and the meeting of the general conference in 1902. And we therefore especially urge that all subscribers to the Twentieth Century Thank Offering in our Conference be encouraged to direct 20% of their donations to be applied to this endowment.

## PAINE AND LANE INSTITUTES.

We rejoice in the continued success of these institutions for the educational work of our brethren of the Colored M. E. Church, and urge the raising in full of the amount assessed for education in order that there may be no deficit in the amount asked for in behalf of these schools.

---

In response to the request of the secretary of the General Board of Education we have appointed Jno. S. Jenkins and O. E. Vivion a committee to secure authentic and accurate educational statistics from our Conference to be furnished to the General Board.

C. M. Bishop having resigned the office of Conference Secretary of Education, we have elected Rev. Jno. S. Jenkins to that position and ask the Conference to request the presiding Bishop to appoint him.

---

We recommend the re-election of T. H. Harvey as a curator of Central College, and that the Conference request the presiding Bishop to appoint A. H. Godbey principal of Central Academy at Fayette, and we recommend that F. A. Briggs of Kansas City District and C. Franklin of Lexington District be appointed as students at Vanderbilt.

T. W. ALTON, *Vice President of the Board.*

JNO. S. JENKINS,

*For the Board.*

## COTTEY COLLEGE.

We have had under careful consideration the most generous and christian proposition of Mrs. V. A. C. Stockard, president and owner of Cottey College, to present the college to the Conference upon the condition that we provide for the debt of \$5,000 upon the institution, and give her a life estate in the same.

We recognize in this offer a most worthy and noble purpose, which only adds to the high appreciation with which we have ever regarded Mrs. Stockard and her great life-work in the founding and establishment of the truly christian institution of learning which she represents. The proper transfer of the college property to the church, however, requires the working out of certain details, which refer to the payment of the debt and the adjustment of the school to the requirements of our church law, and to the correlated system which it is the purpose of the church in this state to establish; so that we have neither the time nor the power to complete the transfer, nor have we even authority to accept the gift under present conditions at this session of the Conference. After consultation with Sister Stockard, therefore, we recommend that the matter be left in abeyance for the present, and that a committee consisting of C. M. Bishop, W. C. Scarritt and Jno. S. Jenkins, be appointed who shall have full power to represent the Conference, under the law of the Church, and who with Sister Stockard, shall, if possible, make all arrangements and take all legal steps to perfect the transmission of the college to the church at the next session of our Annual Conference. In so doing, we desire to express on the part of the Board our hearty appreciation of the progressive and loyal spirit of Mrs. Stockard in her evident desire to promote the plans of the church for higher education and to advance the cause of a correlated system of institutions, just as soon as the immediate difficulties can be overcome.

We hear with pleasure of the continued success of the school and of the always increasing patronage, and advancing standards of work, and we heartily believe that no institution within our bounds is more deserving of our approval and commendation.

We recommend the appointment of the following to be an Advisory Board for the college: Joseph King, P. C. of Centenary Church, P. E. of Nevada District, W. T. McClure, C. H. Briggs, J. B. Latimer, Jno. S. Clack, Dr. I. W. Ammerman, W. M. Prottzman,

Dr. G. W. Petty; and we recommend the appointment of the usual visiting committee.

C. M. BISHOP,  
*Chairman.*

MORRISVILLE COLLEGE.

We learn from the report of the Board of Curators that the past year was one of unusual prosperity with this school, the enrollment reaching 132. A new building was erected better adapted to the needs of the institution. But a small amount, relatively, has been paid upon the cost of this structure; further provision exists in subscription and notes, but much outside help will be needed to finish paying for the property, a fact to which they and we urge the attention of our ministry and membership.

Pres. J. J. Pritchett having tendered his resignation in June, the Board of Curators nominated Prof. W. W. Thomas as his successor.

We observe that the authorities of the school have failed to furnish the General Board of Education with any statistics of the institution, and it has in consequence no rating in its last report. We urge that this oversight be remedied.

It is requested, and we recommend, that S. N. Jones, B. F. Alsup, W. P. Buckner, T. R. Montgomery, and B. F. Williams be elected curators of the school, for a term of three years.

A. H. GODBEY,  
*For the Board.*

SCARRITT COLLEGIATE INSTITUTE.

Scarritt Collegiate Institute reports that the year ending June 6, 1900, showed a fairly good attendance, there being about 100 pupils enrolled. The building and grounds are in good condition and valued at about \$30,000 with an indebtedness of about \$1,300. The opening for the present year shows an enrollment of 90. The Board of Curators ask that O. A. Moss, Wood Moore and G. A. Gyer be confirmed as members of the Board of Curators, and we so recommend.

The Texas lands given by Mr. W. E. Hall have been sold and \$7,208 has been loaned at 7% interest. This is an endowment for the President's Chair.

We recommend that the Conference ask the Presiding Bishop to appoint Rev. J. B. Ellis president.

A. H. BARNES,  
*For Board.*

## CENTRAL FEMALE COLLEGE.

After reading the report of the Board of Curators of Central Female College, your Board of Education is prepared to make the following report:

We are happy to hear of the magnificent gift of Dr. W. B. Palmore, who deeded his \$20,000 farm to Central Female College as a nucleus for an endowment fund to become productive some time in the future.

We find that the opening this year was very gratifying indeed, there being now more than 90 pupils enrolled. President Z. M. Williams has secured subscriptions of \$11,749. This amount is a good start towards the proposed \$50,000 new building.

A. H. BARNES,  
*For Board.*

## EDUCATIONAL RALLIES.

The Board of Education believes that very much remains to be done in regard to the Twentieth Century Thank Offering. We submit it as a self-evident fact, that He who came, that His people might have life, and that they might have it more abundantly, expects a far larger intellectual life of those who are really His. As the revival season is now at hand, we would emphasize the fact that a revival that does not deepen our people's interest in Christian education must be counted, to a large extent, a failure.

Broad presentations of this great subject have not been made in all the charges of the Conference, nor have systematic efforts for voluntary contributions been made everywhere. We therefore urge upon our pastors and presiding elders that educational rallies be held in all places possible before the close of the year, and that vigorous addresses be made upon the subject of such vital importance to the church and the nation. The Board holds itself ready to co-operate with the presiding elders and pastors in every possible way. Let no stone be unturned, no effort be spared, to press this work in the brief time remaining. The presiding elders are urged to organize their districts to this end at once, that revivals of spirituality and intelligence may go hand in hand. And may Almighty God inspire us all for a last supreme effort, and may His eternal blessing be upon the result.

A. H. GODBEY,  
*For Board.*

**BOOKS AND PERIODICALS.**

Your committee on Books and Periodicals desire to submit the following report:

**THE CHRISTIAN ADVOCATE,**

Published at Nashville, Tenn., is a paper equal to any published in the country. Under the editorial management of Dr. Hoss, it has maintained its reputation in every way. As it represents the whole church it has first claim on our patronage and deserves a place in every Methodist home. We urge that our pastors make special efforts to this end.

**METHODIST REVIEW.**

We are gratified by the continued excellence of the Methodist Review. We are proud of the work done by our book editor, Dr. J. J. Tigert, and commend his work to the church at large. We bespeak a stronger support in the Southwest Missouri Conference for this periodical.

**EPWORTH ERA.**

With interest and pleasure we note the prosperity of the Epworth Era. Dr. H. M. DuBose has demonstrated his efficiency and excellence as our editor and we earnestly urge that stronger attempts be made this year to increase its circulation in all our leagues.

**REVIEW OF MISSIONS.**

Our missionary secretaries, Drs. Lambeth and Pritchett, are furnishing to the church a magazine of the very highest character. Steadily has improvement been made until it challenges the attention and provokes the admiration of the church at large. We would urge every preacher to aid in its wider circulation. Its importance can not be overly stressed.

## PUBLISHING HOUSES.

We rejoice in the marked prosperity that has attended the business of the publishing interests of the church, at Nashville, Tenn., and Dallas, Tex., notwithstanding the increase in prices of materials, thereby lessening the per cent. of profits.

This indicates that our publishing plants are being wisely conducted and gradually enlarged. We are highly gratified at the number and excellence of recent publications written by our own churchmen, among which the following are worthy of special mention: "Skilled Labor for the Master," by Bishop Hendrix; "Christus Auctor," by Bishop Candler; "The Cole Lectures of 1900," by Bishop Granbery, and "The Son of Man; Studies in His Life and Teachings," by Dr. Gross Alexander.

## SUNDAY SCHOOL LITERATURE.

We are admonished to "take heed to the doctrine." This is as important in Sunday School work as in the pulpit. The literature of our Publishing House is excellent in character and sound in doctrine. Dr. Atkins deserves our support in this great work. We recommend the use of our literature by every Sunday school.

## ST. LOUIS CHRISTIAN ADVOCATE.

We recommend the St. Louis Christian Advocate, our Conference organ, to our people as being worthy of the support and patronage of every Methodist home in our Conference, and urge our ministry to still greater efforts to increase its circulation. We are greatly pleased to note the worthy effort of the chief editor, Dr. Palmore, in placing the great privilege of a college education within the reach of so many of our worthy young ladies, and wish him unbounded success in the enterprise. The several departments of the paper are well conducted, and the contributors to the literary department rank high. We congratulate the editor and his able assistants for their success.

We appreciate the generous gift of the editor to the Joint Board of Finance of one hundred dollars.

A. R. FARIS, *Chairman*,  
E. K. WOLFE, *Secretary*.

## SUNDAY SCHOOL BOARD.

To the Southwest Missouri Annual Conference, M. E. Church, South, we, your Sunday School Board, respectfully submit the following report:

*Dear Fathers and Brethren:—*

It is with pleasure we note the prosperity of our Sunday school work throughout our beloved Zion, and especially in our Conference. To Dr. Atkins, editor of our Sunday school literature, is due our sincere thanks for the improvement made in our literature, of which there has been a gratifying increase the past year. But we think there is a need of a lesson leaf corresponding to our Senior's Quarterly, to be given to visitors who attend our Sunday schools, and to the many who loose their Quarterlies, and we memorialize our parent Board to consider the advisability of publishing such a lesson leaf.

The annual report of our Educational Board informs us that the observance of Children's Day "is growing in usefulness as an educational factor." And as only 67 pastoral charges, so far as heard from, observed this day, we urge all our pastors to see that each school under their care observe this day, and if any of your scholars are not able to pay for Children's Day programs, apply to J. Spencer, Slater, Mo., and you will get them free.

We respectfully ask our presiding elders to observe paragraph 242 of the discipline, and ask that they give one day to this Sunday school conference, and that they make it, as far as possible, partake of the nature of an institute. We also ask that each Sunday school send one delegate, at least, besides their superintendent, to this conference.

J. Spencer, Treasurer, in account with Sunday School Board, Southwest Missouri Conference:

**REPORT OF EPWORTH LEAGUE COMMITTEE.**

Your committee of Epworth Leagues, beg leave to submit the following report:

It was impossible to ascertain the number of Leagues in the bounds, because of incomplete reports received from the Statistical Secretary. Your committee believe from indications that the League work in the conference is more on the hearts of the pastors than it has been in the years just past. But the success already reached urge us to yet larger endeavors. One of the greatest helps in strengthening the Leagues is the *Epworth Era*. It ought to be taken by every Leaguer and pastor. Therefore, be it

*Resolved*, That every pastor pledge himself to see that the *Era* is taken by his League.

Your committee also recommend the reappointment of Rev. W. T. McClure as League editor of the League department of the St. Louis Christian Advocate. This department has been exceedingly helpful to the Leagues in Missouri and elsewhere. We are assured of this by the testimony of the Leaguers themselves. If this testimony was not sufficient, we could add yet other indorsements by those who are prominent in other parts of our Zion.

A. H. BARNES,  
*For Committee.*

**DISTRICT CONFERENCE JOURNALS.**

To the members of the S. W. Missouri Conference:

We, the committee on District Conference Journals, submit the fact that all the journals, but that of the Neosho district, have been examined and found to be neatly and correctly kept.

Respectfully,

W. A. McCLANAHAN, *President*,  
W. G. BEASLEY, *Secretary*.

**REPORT OF COMMITTEE ON TEMPERANCE.**

Your Committee on Temperance submit the following report:

We believe that the temperance movement should be agitated among our people, and that it is the duty of the church to do all in its power to exterminate the liquor traffic, which is its great adversary. It is more active and potent in every phase of demoralization than

any other agent of evil. It hinders and hampers the Lord's work more than any other adversary ; it robs the Lord's treasury ; it sows tares among the Lord's wheat ; it does more to destroy the sanctity of the Sabbath than any other evil in our land ; and every saloon is a battery of Satan, with all the forces of sin behind it. Not only should we use all our forces and energies to destroy this terrible evil because of these fearful results, but we should also bring before our people the action taken by our last General Conference. We call attention to the fact that the discipline forbids any member of the church signing any petition for a saloon or renting property to be used for the liquor traffic, and we request the pastors to see to it that this law is enforced.

We offer the following resolutions :

*Resolved*, 1st. That we hereby petition the curators of the State University at Columbia not to receive the \$5,000 tendered them by Adolphus Busch for a Memorial Hall, thereby making the University a bulletin board for advertising his nefarious business, and that the secretary of this Conference send a copy of this resolution to the Board, reminding them that this action represents the sentiments of over 30,000 citizens of this state.

2nd. Believing that the overthrow of this terrible liquor evil is to come largely through the ballot box, we therefore pledge ourselves that we will not vote for any man of any party who is known to be in favor of the saloon.

3rd. That each pastor in this Conference be requested to preach at least one sermon on the subject of temperance sometime during the month of October.

4th. That we lend our assistance to all legitimate efforts to overcome this monstrous evil.

M. B. CHAPMAN, *Chairman*,

HARRY CRUM, *Secretary*.

#### AMERICAN BIBLE SOCIETY.

We, your committee on the American Bible Society submit the following report :

We greatly deplore the continued decrease in the collections for this great interest of the church of God in our conference. There has been a gradual decline in the amount raised for this interest for the past few years, having raised only \$135.04 as against \$193.07 in 1897.

We would respectfully call the attention of all the preachers to a part of paragraph 133 of the discipline, which reads, "to present once a year to each congregation in his charge the claims of the American Bible Society, and to report the amount of contributions raised by him for this purpose."

We are glad to report that all the charges, but one in the Clinton district, reported something for this society. There are 76 charges in the conference which made no report on this claim.
